D. Reading / 20 marks

Read the story. Then choose the best answer.

A wildlife club is making a model animal park. The children use toys, not real animals. A toy whale is the longest animal in their model. A parrot sits above a panda on a paper tree. The penguins are opposite the dolphins. Noor puts a rabbit near a rock. The group checks that every animal has a place to rest. They also make a sign: "Protect animals in their natural homes." At the exhibition, visitors can compare the models and learn why wild animals need safe habitats, clean water and space.

16. What kind of animals do they use? (4 marks)

A. toy animals B. painted children C. live animals

17. Which model is the longest? (4 marks)
